Raiders Crush Governors 46-0

Byron Roach was right on target Friday night with 9 completions in 12 passing attempts good for four touchdowns. Darrell Schrock was on the receiving end of 8 of those passes including three touchdowns while Earnest Daye took a 35 yard toss and added about 30 yards on the ground for a Raider TD, as Appomattox shut out Nelson County 46-0.

Terry Woods reeled off a couple of good runs in the first period and started the Raider scoring when he carried over from the 4 with 7:45 remaining. His extra point kick, the first of four, was good and the Raiders went up by 7.

Two of Schrock TD receptions came in a span of 1:24, the first with :36 remaining in the first period and the second :48 seconds into the second period. After Daye scored the fourth Raider tally, William Scott intercepted a Nelson County aerial and returned it 35 yards to put the Appomattox team out in front 33-0. Woods kick made it 34-0 at the half.

Rounding out the scoring for the night, Schrock pulled down TD pass number three in the third period and Robert Dunnam carried over from the 1 yard line midway in the fourth quarter.

In addition to Woods who had 26 yards on 5 carries, Robert Dunnavan carried 4 times for 19 yards, Ernie Chenault 5 tiomes for 45 yards, Charles Rixey 6 times for 53 yards and Louis Foster 4 times for 22 yards.

Gus Paulette punted twice for a 41 yard average.

Nelson failed to mount any kind of offensive drive as the entire Raider defensive unit played well with Robert Harding, Freddie Napier and William Scott coming up with interceptions.

Jayvees Remain Undefeated With 28-8 Win

Dennis Fleshman played the role of decoy during the first half and still managed to pile up 122 yards rushing on 15 carries as the Raider Jayvees toppled Nelson County 28-8 last Thursday. Fleshman also scored one touchdown on a 50 yard run in the third quarter.

"Our kids probably played their best game to date", said Coach Howard Clabough. "They executed well against the hardest hitting team we have faced so far".

Actually the offense rushed for a total of 290 yards while the hard hitting defense continued to be stingy about allowing points to the opposition.

With Nelson obviously keying on Fleshman in the first half, Coach Clabough utilized the talents of Petie McIvor, Alan Edmonds, Rodney Bryant and Norman Turner with Kevin Ferguson at the controls. Ferguson and Edmonds scored in the second period on runs of 1 and 4 yards and Fleshman added a 2 point conversion to give the Baby Raiders a 14-0 halftime lead. Fleshman broke loose in the third period, on one of his now famous touchdown sprints, covering 50 yards. Turner picked up the final Raider score on a 21 yard run also in the third quarter. Mike Williams took a pass from Ferguson for a 2 point conversion and Appomattox went out in front 28-0.

The Governors only tally came in the fourth period.

Defensive standouts for Appomattox included Turner, Bryant, Robert Paulette, Tim Bennett and Darrell Mayberry.

Appomattox will host Altavista tonight (Thursday) at 6:00 PM in Bragg Stadium.

Jayvees Play Here Tonight (Thursday)

The Raider Jayvees, undefeated in four contests, will be going for win number five when the Altavista Jayvees come to town tonight (Thursday) at 6 p.m.

Fans will be treated to an exciting offensive show by a Raider team averaging about 30 points per game while the first team defense has just about shut out their opponents. Most of the points scored by the opposition this year have been against the Raider reserves.

Little LeagueSchedule

The Campbell County Little League Football Program, of which Appomattox is a part, has three dates remaining on the 1979 schedule. October 6 will find Appomattox at Gretna, Oct. 13 Appomattox will be at home against Buckingham and on Oct. 20 Rustburg will be coming to Appomattox.

The Mites begin play at 5 PM, the Midgets at 6:30 and the Varsity at 8PM.

Raiderettes Win Two

The ACHS Raiderettes came up with two big Seminole District Volleyball wins during the past week to run their record to 3 and 1 in the District and 5 and 1 overall.

Playing Tuesday at William Campbell the Appomattox girls took the first game 15-2, dropped the second 11-15 and bounced back for a 15-5 win to take the match.

Susan Handy led the team with 16 service points while Karen Johnson served 9 points. Kim Hipps and Susan Handy scored with 5 and 2 spikes respectively and Johnna Belter and Pam Guill continued to set the ball for the spikers.

In their second outing, at Altavista, Appomattox won in straight games 15-4 and 15-11. Karen Johnson and Annette Carter each served 8 points in this contest with Kim Hipps close behind with 5. Coach Lacy Harris said, "The team set the ball up quite a bit in this match. There was lots of spiking with Altavista returning quite a few."

Austrian Winter Peas are one of the good winter legumes that can be planted now. A six year study at the Holland Station showed that this crop compared favorably with Crimson Clover and Vetch as a winter cover. Fenn is a new variety that may have more winter hardiness than some of the old ones. Seeding should be at the rate of 40 to 60 pounds per acre.

B. J. Lucado grew peas last winter and turned them as a cover crop. They will fix nitrogen at the rate of 40 to 50 pounds per acre. This is one way of conserving soil and lowering fertilization cost next spring.

* * *

Remember the heavy scab infestation in wheat and barley last spring? One of the ways this problem may be reduced is plow down of corn stalks. The grower will need to consider whether the additional cost of fuel, machine wear and labor is worth it or not.

* * *

If you plan to lease land, better have the soil tested. The problem is low pH. It is not only a problem in Appomattox County; I'm told that it is a problem all across the state. The lessor and the lessee need to determine who or how the cost of lime will be met at the time of renting.

* * *

I failed to report last week the results of yearling feeder sale.

There were 720 steers averaging 692 pounds that brought $88.12 per CWT, 471 heifers weighing 608 pounds averaged $76.67 per hundredweight.

Some steers brought in excess of $650 per head.

Warning: Don't leave wet grain in the truck or wagon over night. Corn with moisture 202+ will begin heating and this could contribute to the spread of aflatoxin in the grain.

Corn should be cooled and aerated with 1/10 CFM/bu. during the holding period.

While we are talking about grain in storage-be careful when entering a bin. Safety lines should always be worn. Flowing grain can bury a person in less than 20 seconds!

* * *

Fire prevention week is October 7-13. There will be much about it in the media. It's a good time for every farm operator and family to run a safety check.

Silage feeding has already started on a number of farms. Nearly filled silos can carry a dangerous load of silo gas. Ventilate silos for at least 20 minutes before entering.

Rugby Football Game To Be Part Of Railroad Festival Activities

The Seventh Annual Historic Appomattox Railroad Festival Board is proud to provide a new experience for many natives of the central Virginia area. On Sunday, October 14th a rubgy football games will be played at Bragg Stadium in Appomattox. Contestants will be the Richmond Rugby Club and the Lynchburg Rugby Club.

The game of rugby probably originated in England in 1823 when a frustrated soccer player picked up the ball and ran with it instead of kicking it. Thus a new game, including kicking, throwing, and carrying the ball down the field, was born. British rugby was the forerunner of American intercollegiate football.

Each rugby team consists of 15 men. No substitutions are permitted during the game. This may result in one or both teams playing short-handed.

A match has two 45-minute halves and plenty of action. Two o'clock p.m. will be the starting time for the Festival match.

Admission is $1.50 for adults and $1.00 for children under 12 years old. Tickets may be bought from members of the Railroad Festival Board or by writing Box 644, Appomattox, Va. 24522.
